Certification

Federal Drug Testing Disclosure: For safety-sensitive positions (pilots, mechanics, mechanic helpers), it is the company's policy and Federal regulations that require prequalification through drug testing for employment in or transfer into a safety-sensitive position. Therefore, applicants and reassigned employees shall submit to a pre-employment drug test. An applicant will not be hired to a covered job function until the company has been notified of a negative drug test result. Federal drug testing will be conducted to detect the following drugs: marijuana, cocaine, opiates, phencyclidine (PCP) and amphetamines.

I certify that the information provided in this application is true, correct, and complete. If employed, any misstatement or omission of fact on this application may result in dismissal. I understand that acceptance of an offer of employment does not create a contractual obligation upon Sundance to continue to employ me in the future. I authorize Sundance Helicopters to investigate my personal, employment and credit history. If a report is obtained from a consumer reporting agency, Sundance must provide, at my request, the name of the agency so I may obtain from them the nature and substance of the information contained in the report.
