Mr. Frank. JOE MAYO. Here. You asked me to send you a statement. The facts on the accident you know better than me. I'm sorry I can't give a statement. Because due to what I was told I hit my head. If I remember anything I will call you. I promise. I don't understand what happened. I won't to know more than you do. Thursday and Friday of that week are not in my head. I'm so sorry

Joe Mayo
