**Date: September 4, 2019**  
**Person Contacted: Daniel Divine, Pilot**  
**NTSB Accident Number: CEN19LA225 – Knox, Indiana**

---

### **Narrative:**

Mr. Divine stated that he did not have any memory of the events leading up to, or of any portion of, the accident flight. He recalled his total flight as 460 hours, with about 165 hours of agricultural application flight experience. All of his previous ag experience was in a Cessna 188; however, he did not have any ag experience within the preceding 2 years. He was in the process of regaining his currency in order to fly for Bluebird Ag. He owned an Aeronca 7AC tailwheel-equipped airplane and had flown that airplane recently. He held a current class II medical certificate and had a current flight review at the time of the accident flight.
