Good Morning Todd,

Per your request, here are the airman's (PIC) flight time hours from his medical applications.
Please note: The airman's self-discloses his hours. So, these are probably estimates.

04/09/2012	1100	20	2nd

01/06/2006	850	20	2nd
11/17/2003	750	10	1st
10/24/2001	600	40	1st
08/19/1999	180	0	2nd
