**Narrative & Statements**

**Aldridge, Larry - 4/4/2015 (Initial)**

On April 3rd 2015 at approximately 2155 hours I was dispatched by MECA to 5201 Fairfield Road. in reference to a fatality accident involving a train. Upon arrival, I observed three (3) subjects standing with several Evergreen Packaging Personnel and was advised they were the witnesses.

I asked the subjects what had happened. I was advised that (Victim) was the person responsible for securing the box cars. When the locomotive operator (Jonathan Scoles) did not get an answer from Mr. Stewart by means of a radio and heard allot of static he immediately began to stop the train. Mr. Scoles applied the locomotives brakes, placed it in neutral and walked back to see why Mr. Stewart did not respond to the radio. Mr. Scoles approached the ninth rail car, where he observed Mr. Stewart's body lodged underneath a wheel of one of the train cars.

**Narrative & Statements****Narrative - Aldridge, Larry - 4/4/2015 (Initial)**

I then asked the witnesses (Jonathan Scoles and Bradley Williams) to go with Evergreen Mill personnel so they could write out a statement in reference to this accident. I later observed a white male later identified as Kye Garrett Stewart underneath the ninth (9) car of a thirty five (35) car train. EASI Emergency Personnel had arrived at the scene prior to my arrival. I advised MECA to contact the on call Jefferson County Coroner. I then contacted the on-call CID Investigator Terry Wingard and advised him of what had happened. I took several digital pictures and measurements of where Mr. Stewart's body was and other items associated with him.

Jefferson County Coroner Chad Kelley and Jefferson County Deputy Coroner Eric Belcher arrived at the scene. Coroner Kelley advised Evergreen Mill Personnel to contact Occupational Safety and Health (OSHA) due to this being an industrial fatality accident. Inv. Wingard and Lt. Brunson arrived at the scene a short time later and began taking pictures of the scene. The witness statements and diagram of the scene will be attached to this report. Coroner Kelley advised he spoke with Roosevelt Shavers, who is a representative for OSHA at 12:30 a.m. Mr. Shavers advised Coroner Kelley that it was o.k to move the train so he could remove Mr. Stewart's body from the scene. Coroners Kelley and Belcher removed Mr. Stewart's body from the scene and transported it to the Jefferson County Coroner's Office.
