

RECORD OF CONVERSATION

**Lawrence R. Lewis
Air Safety Investigator
Alaska Region**

**Date: September 23, 2011
Person Contacted: Gary Alexanderoff
NTSB Accident Number: ANC11FA107**

Narrative:

Mr. Alexanderoff was seated in the rear passenger cabin during the accident. The interview was conducted in a hotel lobby in Kodiak, Alaska. Mr. Alexanderoff was under the age of 18, and his mother was present during the interview. Also present was an FAA Air Safety Inspector.

On September 24, during an interview with the NTSB IIC, the passenger in the rear passenger cabin said he boarded the airplane at Old Harbor. He said during the flight he knew that the airplane had descended and was flying over the surface of the lake. He did not know what had happened until he exited the wreckage.
