

RECORD OF CONVERSATION

Michael Huhn
Air Safety Investigator
Western Pacific Region

Date: June 5, 2013
Person Contacted: Mr. Alfonso Taloye (Eyewitness)
NTSB Accident Number: WPR13FA244

Narrative:

The following is a synopsis of the information provided by Mr. Taloye in a telephone interview on this date:

- The witness was working at a home at 3651 Ute Street
- The airplane flew "pretty much on [over the] top of" the witness
- The airplane was "just a little higher than the trees"
- He did not see any smoke emanating from the airplane
- He saw the resulting explosion on impact
- He would not qualify any engine sounds as usual or unusual, since he had never been that close to an operating airplane before, and "didn't know what it should sound like"
