Eleazar Nepomuceno
Air Safety Investigator
General Aviation Accident Division

Date: 7/7/2020
Person Contacted: Jacob Steele (pilot)
NTSB Accident Number: WPR20CA204

Narrative:

The following is a synopsis of the information provided by the pilot in a telephone conversation on this date:

- After landing in French Valley (F70) for fuel, he flew to Montgomery Airport.
- During landing in a left crosswind, the left wing started to descend and the airplane started to veer to the left.
- He applied full right yoke (aileron) control, but the airplane continued to the left.
- He thought about going around but decided to apply more brake.
- The airplane exited the runway to the left and nosed over.
