

RECORD OF CONVERSATION

Jason Aguilera
Senior Air Safety Investigator
Central Region

Date: August 14, 2018
Person: Law Enforcement Officers
NTSB Accident Number: CEN18FA326

According to information provided by local law enforcement officers, the pilot of the airplane had been arrested the pilot had been arrested for domestic violence on the afternoon of August 12, 2018. Bail was posted for the pilot by a relative and the pilot needed to retrieve items from his residence. A Payton City Police Department officer escorted the pilot to the house to ensure that there no incident while the pilot retrieved some personal items. The officer reported that pilot retrieved some items in the house, made eye contact with his wife, but did not talk to her. The officer recalled that the pilot told his biological son to go sleep and his mother's house. The pilot reportedly told his biological son to "leave the porch lights on for me." The pilot then left the house.
