**Date: August 9, 2016**  
**Person: Trooper Kurt Ziegenhorn, Arkansas Highway Patrol**  
**NTSB Accident Number: CEN16LA312**

---

Trooper Ziegenhorn escorted the inspectors from the Federal Aviation Administration and a representative from the airframe manufacturer to the accident site. Trooper Ziegenhorn reported that he was informed by witnesses that the airplane had been treating a field to the south of County Road 132. The airplane was travelling north but did not climb over the wires. The witnesses reported seeing the airplane contact the top wires.

Trooper Ziegenhorn also reported that the pilot had been partially ejected from the cockpit. The pilot did not appear to be wearing a helmet, seat belt, or shoulder harnesses.
