

RECORD OF CONVERSATION

Timothy LeBaron
Senior Air Safety Investigator
Central Region

Date: December 20, 2011

Person Contacted: Kasi Conrad (land owner where wreckage came to rest)

NTSB Accident Number: CEN11FA108

Narrative:

About 2150, Kasi Conrad located in her house, heard a sound resembling an explosion. She reported that at the time she heard the noise, the rain was falling as a light drizzle. However, by the time she and her husband got outside to see what the explosion was, the rain started pouring down. The witness's husband located the main airplane wreckage approximately 450 feet southwest of their house.
