

MEMORANDUM OF CONVERSATION

Aaron McCarter
Air Safety Investigator
Eastern Region Aviation

Date: 07-08-2020
Person Contacted: Michael P. Marchelletta/FAA ASI
NTSB Accident Number: ERA20LA235

Narrative:

Telecon with the FAA to discuss the events surrounding the accident. We agreed that the firewall damage was substantial; it was not a minor dent, but the firewall was like an “accordion”. Discussed airframe and engine total times and how the operator may want to highlight stabilized approaches during flight training.
