Just put the plot out with Helen

Watkins, Co.
Slow go down

C. On Wednesday, 01-24-01 at 1127 hrs. ADCOM advised of a plane that had just crashed at 2982 Haskell. Lt. Engelsen and I both left from the Strasburg Substation. I could see a smoke cloud coming from the Watkins area.

As we arrived on scene at 1140 hrs. the wreckage and smoke were found to be east of Imboden Rd at about the 3200 block. I could see the crash site about 5 mile to the east. I could see the tail section in the field in the burned area.

I set up a road block at 29th Avenue and Imboden Rd. After being on scene for awhile I was directed by Lt. Engelsen to go to the victim advocate office at Front Range Airport and speak to a lady

who could provide information on the two deceased people in the plane.

At F.R.A.P. I spoke to Vicki Foster who provided me with the names of the two victims (see page 1). Information that she knew about the airplane is on page 2. After getting this information I went to the scene.

At the scene, Jim Struvas and Brannon Mayer of NTSB were on scene. Gregory A. Faith arrived and the scene was turned over to them.

Aircraft parts were strewn about and 2 deceased had been burned in the crash.
