## NARRATIVE

## Section 1: Narrative

On 04/29/2013, at 0744 hours, Dep. Ron Smith #379 and I responded to Valkaria Airport, located at 2865 Greenbrooke Street, Grant Valkaria, Florida, in reference to an airplane crash.

Upon arrival, I met with Mr. Gregory Hish (Reportee) who advised he arrived at the Valkaria Airport at 0730 hours on 04/29/2013. Mr. Hish stated he saw Mr. William Scott Adair (victim), on the closed runway #10, with his experimental Gyro Copter. Mr. Hish advised he pulled up next to Mr. Adair and asked him if he was going to go light on the gear (partly come off the ground). Mr. Adair responded maybe, Mr. Hish then told him he would video record him on his cell phone. Mr. Hish advised Mr. Adair headed down the runway and after take off he was flying 200-300 feet. Mr. Hish advised he then noticed Mr. Adair and his experimental Gyro Copter crash onto the northeast side of the Valkaria Airport, approximately 1000 feet from the runway. Mr. Hish then called 911 for help.

I then went over to the crash and observed the small experimental Dominator Gyro Copter with black frame, yellow seat and blue tail bearing registration number N85KY, which crashed next to a parked airplane bearing registration number N934CZ. I observed Mr. William Adair laying next to the aircraft on his stomach. While on scene, Paramedic S. King from the Brevard County Fire Rescue, Station Eighty-Seven, pronounced Mr. William Adair deceased at 0755 hours on 04/29/2013.

I then secured the crime scene and began a crime scene log. Deputy Smith found Mr. Adair's vehicle a 2008 Chevrolet pickup truck, bearing Florida tag ██████████ parked between two aircraft hangers. Deputy Smith ran Florida tag of ██████████ on his Department issued lap top. While completing the search it revealed the owners's name Mr. William Scott Adair (deceased ) from ██████████ Palm Bay, Florida.

I then spoke with Mr. Leroy Rotgers (witness) who stated he noticed Mr. Adair had crashed and gas was pouring out on Mr. Adair so he cut Mr. Adair free from the seat straps that were holding him in the seat. Mr. Rotgers then pulled the aircraft off Mr. Adair and checked his pulse. Mr. Rotgers advised he could not find a pulse at that time.

Major Crimes Agent Don Reynolds #265 and Agent Wayne Simock #558 from the Brevard County Sheriff's Office and

Crime Scene Technician Erin Brown #1594 arrived on scene and assumed the investigation.

On 04/29/2013 at approximately 0942 hours, Deputy Ron Smith ID#379 made contact with Mr. Adair's wife, Mrs. Roberta Adair, at her residence and informed her of her husband's death.
