

INTERVIEW SUMMARY

Elliott Simpson
Aviation Accident Investigator
Western Pacific Region

Interview Date: May 22 through 27, 2016.
Person Contacted: Joseph Miller
NTSB Accident Number: WPR16FA115

Narrative:

Mr. Miller is the General Manager of Santa Monica Flyers. In a series of email and verbal exchanges, he stated the following:

Santa Monica Flyers always use premium gasoline, transported in the company fuel truck.

The last fill was the accident morning, by Mr. Miller at the gas station they always use (Consign, 3500 S. Centinela, LA, CA). He filled the tank completely, then filled up N1111X with fuel before the first flight

He could not locate the receipt, but provided evidence of purchase through an online credit card statement.
