

CW 523
Lot # 11-20-96-82
Dredged Red Debris field
X-4021

Wing Center Section front spar upper chord segment
RBL / 08

UP
Inbd ←

View Looking Forward

- ALL fasteners common to front spar web are sheared off and show the chord segment, relative to the web, moved outboard.
- Either dirty or has a light layer of soot; more so on the inside surface
- No evidence of slow growth fractures.
