

MID SPAR - WING CENTER TANK

CW-808  
Z-2719  
GREEN

This web segment extends from RBL 77-105 and is 25" high extending upwards from the lower chord. There are two stiffener bulkhead web flange segments that remain partially attached. The upper half of the panel is bowed and bent fwd. There is slight sooting on the fwd face.

Some indication of vertical scratching on the aft side of bulkhead web.
