

LOG # LF 99

TARGET # _____

COORD: LAT _____

LONG _____

DEBRIS FIELD Red Trawl

11-20-96-84

EGONS

STA 940 Frame Segment
from S-35L to S-37L

Small frame segment that intersects
with parts recovered from both the
Red and Green debris fields. The
area from the failsafe chord outboard
is bent approximately 90° aft.

The remainder of the frame is
relatively straight.

There is no evidence of fire damage
or sooting.
