

## Injury Chart

### Survival Factors Group

Metrolink train 111  
Union Pacific train LOF 65-12  
Los Angeles, California  
September 12, 2008  
DCA-08-MR-009

Age	Gender	Injury	Hospital	Discharge Date	Category	Additional Information
65	M	L1 transverse process fracture Nose fracture Multiple contusions and abrasions to mid-back, right chest, left biceps, and left ankle	Glendale Adventist Medical Center	9/14/2008	Serious	Struck seat
52	M	Transverse fracture mid-shaft left femur Left front scalp contusion	Harbor-UCLA Medical Center	9/13/2008 Transferred	Serious	
58	M	Scalp laceration Left shin abrasion	Harbor-UCLA Medical Center	9/14/2008	Serious	
55	M	Lung contusion Bilateral rib fractures Right leg laceration Tongue laceration	Huntington Hospital	9/15/2008 Transferred	Serious	
59	M	Fractures of ribs 5, 6, 7, and 8 left side anterior	Los Robles Hospital and Medical Center	9/13/2008	Serious	Third car, forward facing, thrown into table
40	M	Focal linear hepatic contusion Abrasion/contusion left knee	Los Robles Hospital and Medical Center	9/12/2008 and 9/13/2008	Serious	Third car, mezzanine, sitting a table
44	F	Minor closed head injury and hematoma Left proximal humerus fracture Left elbow, wrist, neck strains, and contusions	Los Robles Hospital and Medical Center	9/12/2008	Serious	
23	M	Closed fracture left tibia and fibula with large soft tissue hematoma and compartment syndrome Scalp laceration Anterior fracture dislocation of the left shoulder	Northridge Hospital Medical Center	9/23/2008 Transferred	Serious	
61	F	Clavicle fracture Extensive forehead, scalp, and eye lacerations	Northridge Hospital Medical Center	9/14/2008	Serious	

Age	Gender	Injury	Hospital	Discharge Date	Category	Additional Information
60	F	Fracture of spinous processes of T1, T2, L2, L3, and L4 Hematoma of left medial thigh Left anterior cruciate ligament tear	Northridge Hospital Medical Center	9/14/2008 Transferred	Serious	Thrown from seat
23	M	Minimally displaced left C7 transverse process fracture Mid left clavicular fracture Left transverse process of T8 fracture Unstable 3-column fracture of T10 plus compression fractures of T11 and T12 Fracture of left ribs 10, 11, and 12	Northridge Hospital Medical Center	10/1/2008	Serious	
66	M	Left femur fracture Facial abrasions	Northridge Hospital Medical Center	9/18/2008	Serious	Second car, forward facing
59	M	Malar and maxillary complex fracture Skull base fracture Liver laceration Multiple left rib fractures Nasal bone fracture Left lower leg laceration	Providence Holy Cross Medical Center	9/27/2008	Serious	
18	M	Left foot Charcot open fracture Rib fracture Left chest wall abrasion	Providence Holy Cross Medical Center	9/15/2008	Serious	
42	M	Second degree burn face Second degree burn left flank Concussion Left knee anterior cruciate ligament, partial medial collateral ligament, partial posterior cruciate ligament tear Left knee medial meniscus tear Laceration left knee	Providence Holy Cross Medical Center	9/15/2008	Serious	

<b>Age</b>	<b>Gender</b>	<b>Injury</b>	<b>Hospital</b>	<b>Discharge Date</b>	<b>Category</b>	<b>Additional Information</b>
52	M	Left hip posterior dislocation Posterior acetabular fracture Facial laceration	Providence Holy Cross Medical Center	9/14/2008	Serious	
47	F	Nasal fracture and nasal septal fracture, operative reduction Upper lip laceration Concussion	Providence Holy Cross Medical Center	9/13/2008	Serious	Thrown from seat and hit face
39	F	Blunt head and cerebral trauma Fracture of C6-C7 facet on the left with subluxation and left lateral mass fracture Fracture of the left C5 pedicle and lamina Complex scalp laceration and left knee laceration Left arm contusion	Providence Holy Cross Medical Center	9/19/2008	Serious	Required extrication
49	M	Pulmonary contusions Flail chest Skull fracture	Providence Holy Cross Medical Center	Unknown	Serious	
57	F	Tripod fracture, right face Complex facial lacerations	Providence Holy Cross Medical Center	Unknown	Serious	
54	M	Fractured right ribs: 3-6 posteriorly, 4-6 laterally Right clavicle fracture Right scapula fracture Left pulmonary contusion Liver lacerations Left second metacarpal fracture Left leg puncture wound Multiple bruises and contusions	Simi Valley Hospital	9/26/2008	Serious	Sitting next to a partition

Age	Gender	Injury	Hospital	Discharge Date	Category	Additional Information
21	F	Fractured right ribs: 4-6 anterolaterally Multiple liver lacerations Multiple contusions Cervical spine strain Thoracic interscapular strain	Simi Valley Hospital	9/16/2008	Serious	Hit a table
62	M	Bilateral subarachnoid hemorrhage Facial and nasal lacerations Right leg lacerations Multiple rib fractures Displaced first right rib fracture Multiple cervical spine fracture and ligament tears Sixth nerve traumatic injury	Valley Presbyterian Hospital	9/17/2008	Serious	
31	F	Closed head injury Acromioclavicular joint separation	Valley Presbyterian Hospital	9/12/2008	Serious	
52	M	Right chest abrasion Right lower leg abrasion Left lower leg puncture wound Concussion	West Hills Hospital and Medical Center	9/19/2008	Serious	Thrown from seat, hit head on a seat
55	F	Nasal bone hematoma	Harbor-UCLA Medical Center	9/13/2008	Minor	Thrown from seat, skidded on floor
64	M	Left leg puncture wound	Harbor-UCLA Medical Center	9/13/2008	Minor	
55	F	Forehead laceration Cervical strain	Harbor-UCLA Medical Center	9/13/2008	Minor	
52	M	Multiple contusions and strains	Huntington Hospital	9/12/2008	Minor	
44	M	Rib contusion	Huntington Hospital	9/12/2008	Minor	
55	M	Contusion, strains	Huntington Hospital	9/12/2008	Minor	Fell forward
52	M	Complex laceration and avulsion of left ear Nasal fracture	Huntington Hospital	9/13/2008	Minor	

<b>Age</b>	<b>Gender</b>	<b>Injury</b>	<b>Hospital</b>	<b>Discharge Date</b>	<b>Category</b>	<b>Additional Information</b>
16	M	Nasal contusion Forehead laceration	Huntington Hospital	9/12/2008	Minor	
55	F	Left side apical pneumothorax, minimal	Huntington Hospital	9/13/2008	Minor	Fell on left side
49	M	Left knee contusion	Huntington Hospital	9/13/2008	Minor	Third car, facing rearward
42	M	Left calf muscle contusion Right anterior knee abrasion-contusion	Los Robles Hospital and Medical Center	Treated on 9/13/2008	Minor	First car, upper level, rear
62	M	Lower back strain	Los Robles Hospital and Medical Center	9/12/2008	Minor	Third car, rear facing
51	M	Blunt head trauma Musculoskeletal strain	Los Robles Hospital and Medical Center	9/12/2008	Minor	Third car, rear facing, hit head against back wall
31	M	Blunt head trauma	Los Robles Hospital and Medical Center	9/12/2998	Minor	Third car, rear facing, hit head against headrest
54	M	Left elbow contusion Neck and back strain	Los Robles Hospital and Medical Center	9/12/2008	Minor	Third car
59	F	Blunt head trauma Cervical strain Thoracic strain Contusion/abrasion left lower leg Contusion left hand	Los Robles Hospital and Medical Center	9/12/2008 and 9/15/2008	Minor	Third car, thrown to the floor, hit head
42	M	Multi-systemic blunt trauma Left knee abrasion	Los Robles Hospital and Medical Center	9/12/2008	Minor	Second car, thrown 10 feet, may have fallen from an upper level to a lower level
23	M	Forehead laceration	Northridge Hospital Medical Center	9/12/2008	Minor	Second car, thrown from seat onto floor

<b>Age</b>	<b>Gender</b>	<b>Injury</b>	<b>Hospital</b>	<b>Discharge Date</b>	<b>Category</b>	<b>Additional Information</b>
23	F	Facial, lower leg, shoulder, and contusions Lip laceration	Northridge Hospital Medical Center	9/12/2008	Minor	
47	M	Concussion Facial, anterior chest, and anterior lower legs abrasions	Northridge Hospital Medical Center	9/12/2008	Minor	
36	M	Thoracic back strain	Providence Holy Cross Medical Center	9/12/2008	Minor	
25	F	False labor	Providence Holy Cross Medical Center	9/12/2008	Minor	
58	M	Nasal laceration Facial abrasions	Simi Valley Hospital	9/12/2008	Minor	Third car, hit a forward seat
61	M	Facial laceration Head injury Bilateral shoulder sprain Bilateral knee sprain	Valley Presbyterian Hospital	9/13/2008	Minor	
47	M	Cervical strain Lumbar strain	Valley Presbyterian Hospital	9/12/2008	Minor	
56	M	Blunt neck trauma Left leg laceration Right leg laceration	West Hills Hospital and Medical Center	9/13/2008	Minor	Thrown forward, hit throat

<b>Age</b>	<b>Gender</b>	<b>Injury</b>	<b>Hospital</b>	<b>Discharge date</b>	<b>Category</b>	<b>Information</b>
51	M	Fracture of left transverse process, L1, L2, and L3	Providence Holy Cross Medical Center	9/18/2008	Serious	Train crew
65	M	Left tibia/fibula fracture Left and right rib fractures Left pulmonary contusions Left scapula fracture Superior end plate L3 compression fracture Smoke inhalation	Cedar-Sinai Medical Center	9/23/2008 Transferred to rehab hospital	Serious	Train crew
31	M	Scalp lacerations Left flank lacerations	Huntington Hospital	9/14/2008	Serious	Train crew
64	M	Right knee contusions Right upper leg puncture wound	Pacifica Hospital	9/12/2008	Minor	Train crew

<b>Age</b>	<b>Gender</b>	<b>Injury</b>	<b>Hospital</b>	<b>Discharge date</b>	<b>Category</b>	<b>Information</b>
38	M	Dehydration Syncope	Simi Valley Hospital	9/12/2008	Minor	Emergency responder
