50

A hand is holding a small white rectangular card with the text "5L" written on it in a black, serif font. The hand is positioned on the left side of the frame. The background is a large, crinkled yellow surface, possibly a tarp or plastic sheeting. In the upper portion of the image, there are some horizontal strips of material, including a piece of silver reflective material and a piece of yellow material. The overall scene appears to be an outdoor or semi-outdoor storage or construction site.

CROSS

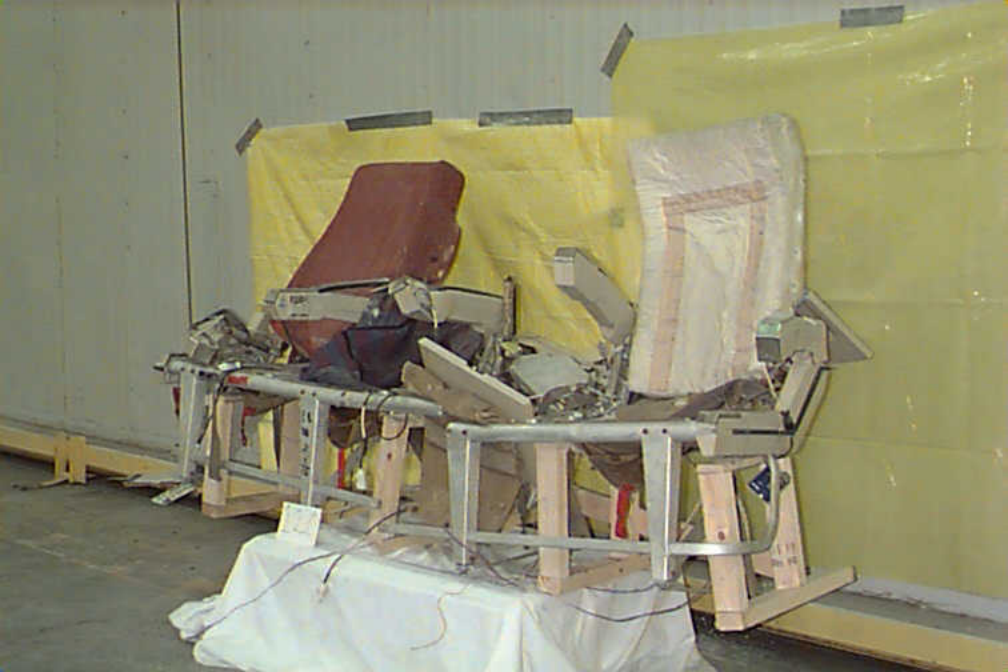

11R

A hand is holding a small white rectangular card against a background of crinkled, reflective silver material. The card has the handwritten text "12L" on it. The background material is highly reflective and shows many highlights and shadows, suggesting it might be a thermal blanket or a similar material. The hand is positioned on the right side of the frame, holding the card from the right edge.

19R

A person's arm, wearing a white sleeve and a watch, extends from the left side of the frame, holding a small white rectangular sign. The sign has the number '20L' written on it in black ink. The sign is positioned in front of a large, crinkled yellow tarp that is secured to a white corrugated metal wall with silver duct tape. The background is the white wall of the structure.

A hand is holding a small white card with the number "221" written on it in black ink. The card is positioned in front of a large, crinkled yellow plastic sheet that is taped to a white, vertically-ribbed wall. The hand is on the left side of the frame, and a silver watch is visible on the wrist. Two pieces of silver tape are visible on the wall, one at the top left and one at the top right, securing the plastic sheet.

246

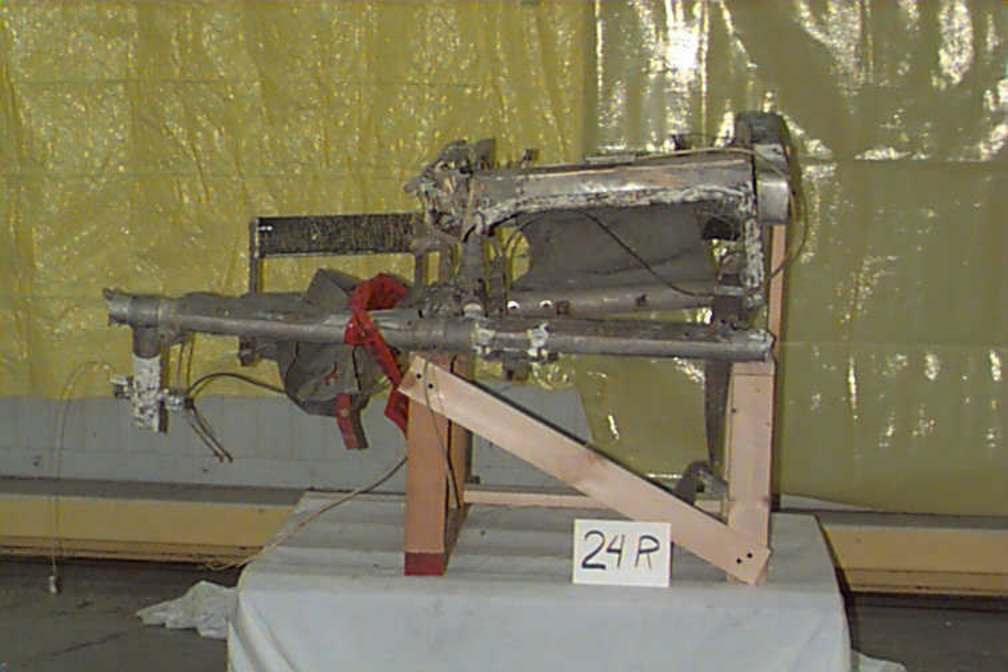

A person's arm, wearing a white sleeve and a watch, holds a small white card with the handwritten number '24L'. The card is positioned next to a large, crinkled yellow plastic sheet that is partially covering a white corrugated metal wall. A piece of white tape is visible on the wall above the sheet, and a dark rectangular object is on the right edge.

24L

A person's arm, wearing a white short-sleeved shirt and a gold watch, holds a small white rectangular card with the handwritten text "24R" in black ink. The card is held against a large, crinkled yellow plastic sheet that covers an object. The background is a white corrugated metal wall. A piece of silver tape is visible at the top left corner of the yellow sheet, and a piece of black tape is at the top right corner.

280

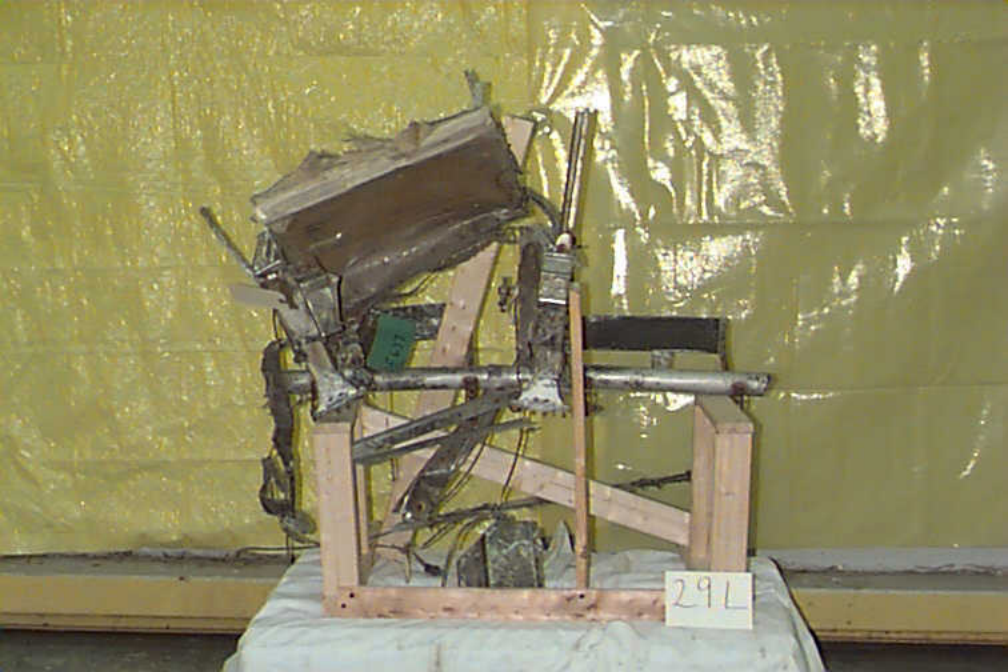

A photograph showing a person's arm and hand holding a small white rectangular card. The card has the handwritten number '28L' in black ink. The card is positioned against a large, crinkled yellow plastic sheet that is taped to a white, vertically-ribbed wall. The hand is wearing a gold-toned watch. Two pieces of silver duct tape are visible, securing the yellow sheet to the wall at the top left and top right corners.

28L

A person's arm, wearing a white sleeve and a watch, extends from the left side of the frame. The hand holds a small white rectangular card with the handwritten number '28R' in black ink. The card is positioned in front of a large, crinkled yellow tarp that covers most of the lower and middle portions of the image. The tarp is secured to a light-colored, vertically-slatted wall with pieces of silver duct tape. The background wall has a few small dark spots. The overall scene appears to be an outdoor or semi-outdoor storage area.

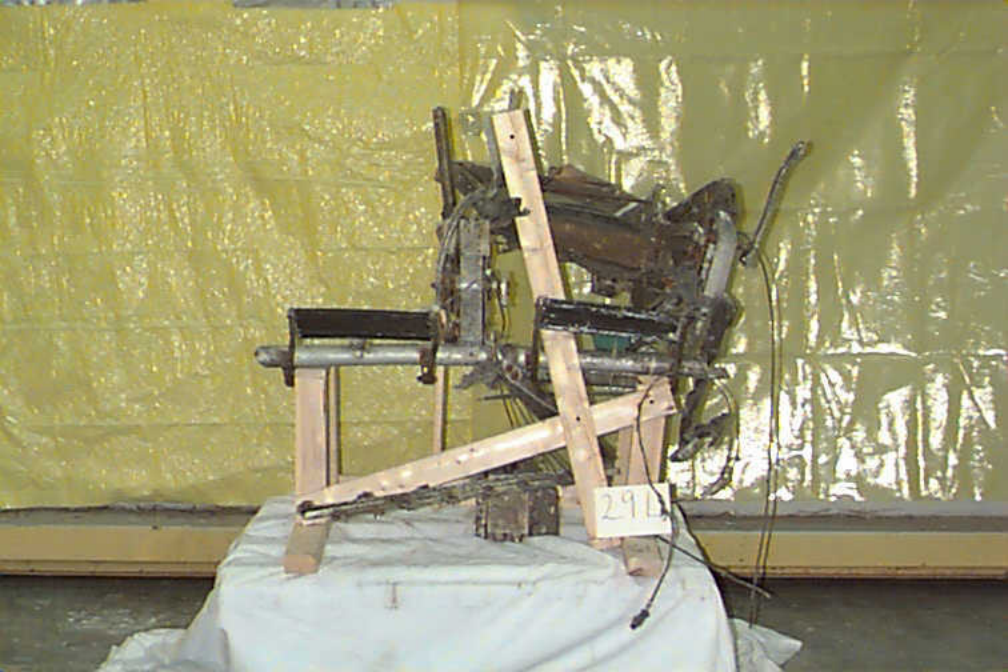

28R

29L

29L

291

A photograph showing a person's hand holding a small white card with the handwritten text "29R" in black ink. The card is positioned in front of a large, crinkled yellow plastic sheet that is secured to a white, vertically-ribbed wall with pieces of silver duct tape. The hand is on the left side of the frame, and the card is held flat against the plastic. The background wall has a consistent vertical ribbed pattern.

29R

A hand is holding a white rectangular card with the handwritten text "30L" in black ink. The card is positioned to the left of a large, crinkled yellow plastic sheet. Above the card, a piece of silver adhesive tape is partially visible, appearing to be in the process of being applied to the yellow sheet. The background consists of a light-colored, vertically ribbed surface, possibly a wall or a door. The hand holding the card is wearing a metal watch.

30L

309

A photograph showing a person's arm extending from the left side of the frame. The person is wearing a white short-sleeved shirt and a silver watch. They are holding a small white rectangular card with the handwritten number "311" in black ink. The card is positioned next to a large, crinkled yellow plastic sheet that covers a significant portion of the right side of the image. The background consists of a light-colored, vertically ribbed surface, possibly a wall or a door. There are some pieces of silver tape or tape residue on the yellow sheet, one near the top left corner and another near the top right corner.

35C
6+7

A wooden structure made of light-colored wood stands in a dimly lit room. A red sign with the word "DANGER" in white, bold, capital letters is attached to the structure. On top of the structure is a piece of crumpled, light-colored material, possibly a tarp or paper. In the foreground, a large object is covered with a white tarp. A small white tag with the number "350" and a smaller "5" below it is attached to the tarp. The background shows a green wall and a white door or panel.

350
5

350

A photograph showing a specimen labeled '35L'. The specimen is a small, rectangular object, possibly a piece of wood or a similar material, mounted on a vertical wooden post. The post is secured to a white surface with a red ribbon. The white surface is covered with a white plastic sheet. The background consists of a wall with yellow and green sections, possibly made of plastic or paper. The label '35L' is written in black ink on a white card placed in front of the specimen.

CHANGE

A person's hand, wearing a black wristband and a blue and white striped shirt, holds a small white card with the handwritten number "30R" in black ink. The card is held in front of a door that is partially covered with yellow plastic sheeting. A piece of silver duct tape is visible at the top of the door. The background consists of light-colored vertical slats.

30R

A wooden crate is positioned on a white-covered surface. The crate is partially filled with a rifle, which is wrapped in grey plastic and secured with red and black straps. A white label is attached to the front of the crate. The background consists of a yellow tarp on the left and a silver tarp on the right.

38R
8.0

A photograph of a wooden frame structure, possibly a scale or a support, placed on a table covered with a white sheet. The frame is made of light-colored wood and has a rectangular opening in the center. On top of the frame, there is a piece of crumpled silver material and a red and white striped object. A white tag is attached to the left side of the frame. In the foreground, a white tag with handwritten text is placed on the table. The background consists of a yellow plastic sheet hanging over a wall.

38R
8.0

The image shows two vertical wooden posts standing on a white cloth-covered surface. A red ribbon is draped over the top of both posts, with the word "DANGER" printed in white on it. A small white label is attached to the front of the right post, containing the handwritten text "38R" and "8.0" below it. The background consists of a yellowish, textured wall or plastic sheeting.

38R
8.0

38R
8.0

38R
8.0

A wooden stand is positioned in the center of the frame. Atop the stand sits a small, rectangular, silver-colored electronic device with a black display screen. The stand is placed on a white, wrinkled fabric surface. The background is a bright yellow, textured wall. A white sign with the handwritten text '40L' is attached to the front of the stand.

40L

A photograph of a wooden frame structure, possibly a mold or a support, resting on a white-covered table. The background is a yellow, wrinkled fabric or plastic sheet. A small white tag is attached to the top of the frame. A small white card with the handwritten number '40L' is placed on the table in front of the frame.

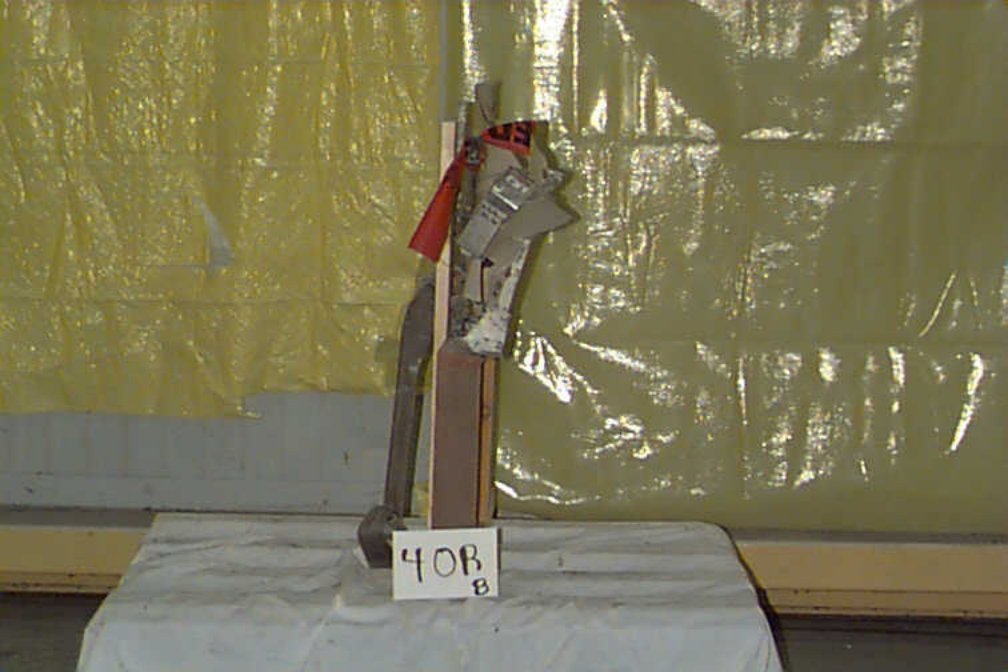

40L

A photograph of a wooden structure, possibly a model or a piece of equipment, resting on a white tarp. The structure consists of a vertical wooden post with a horizontal wooden piece attached to its top. A small, light-colored wooden piece is attached to the front of the vertical post. A white rectangular sign with the handwritten number '40L' is attached to the front of the structure. The background is a yellowish, textured surface, possibly a wall or a tarp. The entire setup is placed on a white tarp.

40L

A photograph of a wooden frame structure, possibly a prototype or a piece of furniture, resting on a table covered with a white cloth. The frame is made of light-colored wood and has a rectangular shape with a vertical post on the right side. A small, rectangular label with the handwritten text '40L' is placed on the table in front of the frame. The background is a plain, light-colored wall. The lighting is somewhat dim, and the overall scene appears to be indoors, possibly in a workshop or a laboratory.

40L

A photograph of a forensic evidence marker. The marker is a white card with the handwritten text '40B' and a smaller '8' below it. It is placed on a white surface. Behind the marker is a vertical wooden ruler. A red ribbon is tied around the ruler. To the right of the ruler is a piece of white evidence bag with some markings. The background consists of a wall covered in yellow and silver reflective plastic.

40B
8

40R

40B
8

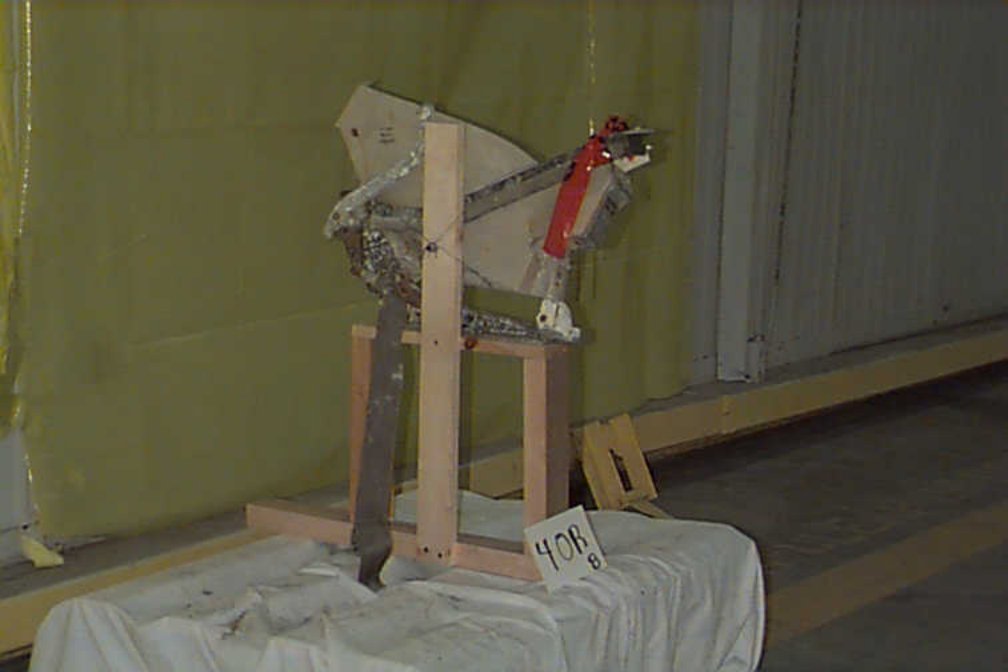

40R

A photograph of a mechanical assembly, possibly a piston or valve train component, mounted vertically on a wooden post. The assembly is wrapped in clear plastic and secured with a red band. The post is placed on a white surface. A white label with the handwritten text '40B' and '8' is attached to the post. The background consists of a yellowish, reflective material, likely a tarp or insulation.

40B
8

A photograph of a mechanical assembly, possibly a sensor or actuator, mounted on a custom-built wooden frame. The assembly is positioned vertically against a background of yellow plastic sheeting. The wooden frame consists of a central vertical post and two diagonal supports forming a tripod-like base. A white rectangular label with the handwritten text '40R' is attached to the front of the central post. The mechanical assembly itself is complex, featuring various metal components, a cylindrical part, and a thin wire extending to the right. The entire setup is placed on a white surface, likely a table or a protective sheet.

40R

408

410

41C

A photograph showing a mouse on a wooden block. The block is placed on a white cloth. A small white card with the handwritten number '41L' is positioned in front of the block. The background is a yellowish, textured surface.

41L

411

A photograph of a mouse on a wooden post. The mouse is grey and is positioned on the left side of the post, facing right. The post is a vertical wooden cylinder. A white rectangular sign with the number '41L' written in black is attached to the front of the post. The post is supported by a wooden base. The entire setup is on a white surface. The background is a yellowish, textured wall.
