Attention: Application Review

Scaled Composites, LLC is pleased to submit the enclosed application for an Experimental Permit for our SpaceShipTwo reusable horizontal take-off, horizontal landing suborbital vehicle operating out of the Mojave Air and Space Port, Mojave, California. The permitted vehicle will be flown for the purpose of research and development.

Certificate of Accuracy

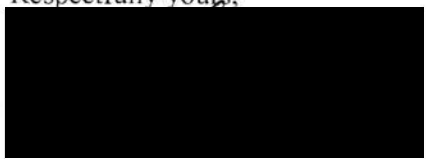

Confidentiality Request (Optional Statement)

This application for an Experimental Permit contains trade secrets and proprietary commercial data that Scaled Composites, LLC requests the FAA treat as confidential for the lifetime of the permit plus ten (10) years.

Respectfully yours,

President
