OMG!!

So. No sleep for the month of
January

For us*

19 on 5 off. We do a four man deck
instead of five and the boat works
around the clock. But every 4rth
hour you 3 man the deck. And I
have to cook during all this. So I
prob. Won't get any sleep.

FML, all for \$0.30

Sunday, Jan 22, 10:26 PM

Blowing 70 gusting 100 in false
pass, trying to offload to tender.

Rolling on 30 hours and only 2-1/2 hrs of sleep. I would rather be hungover.

In MEXICO!
