12:03:23              LifeCom              One Two LifeCom

12:03:25              Plt                      Yeah the uh, I'm taking the aircraft over to the airport and landing it over there, could you call the uh, our station over there at Faith Regional and have Bill Philgren he's over there have him meet us over at the airport and we're gonna have to land and get something checked out with maintenance before we can take this mission.

12:03:46              LifeCom              Copy sir is Bill at the uh the FBO over there

12:03:50 Plt Yes he is

12:03:53 LifeCi Copy twelve oh two

12:04:28 Norfolk Good afternoon, Norfolk Aviation

12:04:30 LifeCom Hi, This is Moe with LifeNet the helicopter is uh heading over to uh to a Karl Stefan there and they were trying to get a hold of Bill Philgren to come out and check out something on the aircraft uh we're uh going on a flight here and we need to get this checked out right away.

12:04:48 Norfolk I don't know where he's at though

12:04:49 LifeCom Can you run him down I'll send him a page also

12:04:53 Norfolk OK

12:04:53 LifeCom Alright

12:04:53 Norfolk Thanks

12:04:54 LifeCom Thanks Bye

12:05:03 Plt LifeCom, LifeNet One Two

12:05:08 LifeCom One Two, LifeCom

12:05:10 Plt LifeCom when you talk to Bill Philgren would you tell him that I got pedal binding on the right pedal again I say pedal binding on the right pedal
