NARRATIVE

I was driving eastbound on Glenn at Oracle when I saw a very large cloud of black smoke east of my location. I heard another unit asked the dispatcher if the Tucson Fire Department (TFD) was responding to a fire in the area. At that time the dispatcher stated that she was unaware of any calls.

Within moments we were informed that there were multiple calls reference a helicopter crash at 1001 E Mitchell. I responded to the scene. I was the first unit on scene with Officer Boyen #42216 and Officer Morales #49936 arrived right behind me at the same time. All of the wreckage was engulfed in flames except the very end of the blue tail of the helicopter, which was the only way I could identify that it was an aircraft. The flames were up in the air, well over the tree line, and the black smoke made it difficult to breath. Several people had gathered in the immediate area after the crash and were standing very close to the burning wreckage. I immediately started pushing back the perimeter to the south, Officer Boyen pushed the perimeter to the north and Officer Morales pushed it to the east.

As soon as I drove up to the crash site there were several small explosion coming from within the wreckage. There were also objects that were being shot out from the fire to the west, directly at me, and anyone in the immediate area. We were urgently pushing people back away from the incident location to keep people clear from harm. There were so many people in the street that the TFD engine could not get to the scene and had to wait for standing people to move out of the road.

TFD responded to the scene and located two of the victim's in the back yard of 1001 E Mitchell. One of the victim's was pulled forward to the front yard of the property to be given aid. The male was badly burned and in critical condition. His uniform was cut off of him and pushed to the side. I pulled the Velcro nametag off of the uniform for identification purposes. The name was Parker Summons and he worked for Lifenet. He was being transported to University Medical Center (UMC) at 1501 N Campbell for life threatening injuries. TFD was still trying to put out the fire, which was still burning very intensely. A second victim, later identified as Alex Kelley, was located by TFD in the wreckage in the back yard. He was also transported to UMC with life threatening injuries. TFD continued to work on the wreckage to contain the fire and located the body of a third victim in the crash wreckage. The body was not identified on scene but was believed to be another Lifenet employee, Brenda French.

I helped contain the scene and evacuate the surrounding area. I located John Townsend who resides at the residence, which the helicopter had crashed into. He stated that he had just been in his

back yard a few minutes prior to the crash and had not noticed the aircraft at that time. He stated that he was inside when he heard a loud crash noise and thought that another car had crashed into his wall (he mentioned that it had happened twice before while he resided at that location). He went to the back door and when he tried to open the door he heard a large explosion and felt pressure against the door. When he went into his back yard he discovered a large fireball engulfing his back yard, fence, trees, and shed. He immediately grabbed at his hose to help with the fire. He stated he saw two pilots on the ground on fire and was trying to call 911 but stated the line was busy. John stated that his neighbors had come running over to help him and by then police and TFD were on scene. He stated that he left the area when directed to do so.

I continued to secure the scene while the command staff responded. I relayed all the information that I had at that time to the Lt. McNitt #31054.

Southwest Gas worker Don Emrick stated that he and a co-worker were in the area when they saw the smoke and responded to check the area knowing that a major gas line was in the area. He stated that they stood by until the scene was secure to assess the situation. He stated that there was a major gas line that ran directly underneath the burning wreckage and the intense heat may have damaged it. They did several tests and determined that there were no leaks and that the line was still in working order. They cleared shortly after.

A male who never identified himself to me was allowed into the scene by the command staff. Another officer informed me that he was the helicopter owner. He was given permission by the command staff to walk around the scene and inspect the crash site. The male was very insensitive and crass to the situation and continually made comments like "well their all dead so..." The male also stated that the helicopter had just been in Marana getting engine work done. He was very curious as to how the crash was handled and if there were any witnesses. I was instructed not to answer his questions. The male became upset when we would not answer his question and he was finally told that he was no longer allowed in the crime scene area.

Crime Scene specialist Lorenz #35463 responded to the scene. He took pictures of the scene and of the remains of Brenda French prior to anyone touching the wreckage. OME was called and asked to respond. OME officer Hairston #26 responded to the scene and took custody of Brenda French's remains.

NARRATIVE

On Wednesday July 28th, 2010 at approximately 1345 hours, I was dispatched to the area of Park / Glenn in reference to a helicopter crash. I heard Sergeant Fuller and Sergeant Espinoza addressing the situation within the inner perimeter. Therefore, I assisted Sergeant Culbertson with securing an outer perimeter and setting up a staging area for responding emergency personnel. The staging area was on East Glenn, west of North Park. I assigned Officers and Community Service Officers to traffic control positions on the outer perimeter. I did not have any contact with any witnesses. I was relieved from my assignment at 1630 hours, and I responded to the Westside Police Service Center to secure.

NARRATIVE

On 7/28/10 I responded to the incident location in reference to a helicopter accident. Further information on the incident can be found in the case/supplemental reports.

Upon arrival, I assisted in preventing pedestrian/vehicular traffic from entering westbound Alta Vista and Via Encantadora. Per Sgt Fuller 22367, I cleared from the scene to relieve any officers at UMC. While at UMC, I stood by with one occupant of the helicopter, Alex Kelly [REDACTED], whose death was pronounced prior to my arrival. Further info on time of death and the doctor whom pronounced can be found in the case/supplemental reports.

A short time after, next of kin/spouse to Alex, Vera Kelly [REDACTED] arrived to UMC and was advised of the incident by UMC staff.

After gathering necessary information from the crash victim and family I secured from the listed. That concluded my involvement in the incident.

NARRATIVE

I responded to T2 regarding a helicopter crash and point control/escort duties. Initially I escorted two witnesses to the incident to a location on N Park just south of E Glenn. One witness was at the command post and the other I escorted from N Fremont and E Circle DR.

I was temporarily assigned point control at E Glenn/N Tyndall relieving a motor unit. After Eastbound and Westbound traffic was opened up on E Glenn, my point control position was moved to E Mitchell/N Park east of. While on point control at this location a woman identifying herself as Julie Gault [REDACTED] [REDACTED] contacted me and advised she witnessed the helicopter crash. I notified TPD communications and the information was entered into the call text.

I was relieved of my duties at approximately 2000 hours.

This concludes my involvement in this incident.

Officer Arnold #43897 and I responded to assist with the scene. We were diverted to UMC to check the status of the victims. The first victim to arrive was Alex Kelly [REDACTED]. Officer Santa Maria #51935 stood by Alex in his trauma room. The next victim to arrive was Parker Summons 1 [REDACTED]. Officer Arnold and I accompanied Parker to his trauma room. Parker was then wheeled to surgery shortly after arrival. I stood by the surgery room while Parker was in surgery. Later one of the nurses came out and informed me that Parker had died in surgery. Officer Santa Maria relieved us from the scene see his supplement for the pronounced time and Doctor information. Life-Net Business Manager Rick Weiler [REDACTED] was in the process of getting a hold of the next of kin information from the Corporate Office. Officer Arnold and I cleared the scene.

LOCATION OF INCIDENT

NARRATIVE

Officer Boyen (#42216) and I were headed eastbound on Miracle Mile at Fairview area when I observed a very heavy plume of black smoke rising into the air approximately two miles east of our position. As we continued eastbound we were advised by dispatch that a helicopter had crashed at the incident location. We arrived at the incident location with Officer Mah (#49532). Upon arrival I observed what appeared to be the remains of a helicopter engulfed in flames and heavy smoke. The aircraft had crashed into a masonry wall and was partially in the backyard of the incident location and Park Avenue. The tail section of the aircraft was in the roadway on Park Avenue. There were approximately twenty civilians standing within ten to fifteen yards of the wreckage. As I was approaching the crowd to disperse them to a safer distance there were several small explosions coming from the burning aircraft. There was debris actively being ejected from the aircraft as a result of the explosions. We were able to move the bystanders away from the burning aircraft and set up a preliminary perimeter. I ensured that the incident location residence and neighboring houses were vacant.

Once the perimeter was set I assisted Officer Sampson (#43599) with keeping witnesses together. Witnesses were informed not to discuss the incident until after they had been interviewed. After approximately one hour the last of the witnesses advised that they could not wait any longer for their interview and left. I returned to the scene and assisted with scene security. I remained on scene until relieved by late shift officers. This concludes my involvement in this case.

NARRATIVE

On July 28, 2010 at 1420 hours while on a non-related call I was flagged down by David Embich at the corner of Oracle and Glenn. He told me that he had witnessed the helicopter crash and had attempted to tell someone at the scene about it but that it was too chaotic at the time and so he saw me and wanted to give me the information. He proceeded to tell me that at the time of the crash he was stopped at the traffic light at E Glenn and 1st Ave facing eastbound – in the Fed-Ex vehicle that he was driving – when he saw the helicopter flying south east above him. He said that it appeared to be making a circle to possibly land and that at about ¾'s of the way through the circle the tail went up on the copter and it went down crashing into a house.

He appeared very shaken by what he saw. I asked him if he needed to speak with anyone about it and he said no – at this time. He wanted to make sure that the police knew he witnessed it and that he would be available for authorities to speak with him if they desired.

NARRATIVE	

On July 28, 2010, I responded to the area of Park-Glenn reference a report of a helicopter that had crashed into a house and the helicopter and house were on fire. As I arrived at the scene I assumed incident command. As I turned south on Park from Glenn I could see a large fire coming from the area of Mitchell-Park. I could also see a large number of people gathering around the fire. I directed units to block off traffic on Park by closing Park at Grant and at Glenn. I directed units to only allow fire equipment into the area. As I got closer to the helicopter crash I noticed that the helicopter was fully engulfed in flames as TFD attempted to put the fire out. I assisted other officers that were on scene in getting the pedestrians out of the area. I also requested that officers began blocking off the side streets that led into the area where the helicopter had crashed. Several minutes after my arrival Capt. Kidd arrived on scene and assumed incident command. At this point I was directed to take control of the traffic problem to the south of the crash site. I directed officers to shut down Park at Grant and then began directing officers to shut down the side streets. Once this was accomplished I stayed in the area until I was relieved by Lt. McNitt at approximately 1700hrs.

NARRATIVE

I responded to the intersection of Glenn and Park to assist with point control at the scene of a helicopter crash south of Glenn. Upon arrival Sgt Fuller #27360 instructed me to respond to UMC along with TFD Medic 3. Medic 3 was transporting one of the victims of the helicopter crash.

I stood by in the emergency room as hospital staff provided medical attention to the patient transported by Medic 3. I made contact with Rick Weiler who is a manager for LifeNet. Weiler advised the helicopter that crashed was LifeNet 12 and had three people on board. Weiler stated one person was dead at the scene and identified that person as Brenda French. Weiler identified the male transported by Medic 3 as Alex Kelly. Weiler stated the other male transported by TFD was also on LifeNet 12 and identified that male as Parker Summons. Weiler stated LifeNet would be advising next of kin for Kelly, French and Summons. Weiler advised Kelly was the pilot, Summons was the nurse and French was the paramedic on board LifeNet 12.

Dr Reilly advised me he pronounced Kelly dead at 1527 hrs. I left the emergency room Kelly was in and responded to the intensive care unit where Summons was being treated. Dr Rhee advised he pronounced Summons dead at 1604 hrs. I observed Tiffany Walker, Sara Perotti, Benjamin Aguilera, Lisa Jacobs and Ginger Boyte inside Summons' room shortly after he had died.

I advised Sgt Fuller of the deaths of Kelly and Summons. Weiler stated he was unable to obtain further identifying information for Kelly and French at the moment. Ofc Jimenez #51927 responded to Summons' room as I left. I observed Ofc Gamulo #51090 standing by at Kelly's room as I left UMC.

This concluded my involvement in the incident.

NARRATIVE

I responded to the incident location at 1001 E Mitchell. While at this location my assignment was to take the names, and stand by with witnesses. The names listed were given to F.B.I special agent Brian Nowak as he interviewed the witnesses that were still at this location. He then stated he would give the names to the FAA for their investigation, as he was going to stand by until they arrived. NFI.

LOCATION OF INCIDENT

NARRATIVE

On July 29th I responded to Park/Mitchell to relieve the unit that was there. I stayed on scene until approximately 1000 hours when I was relieved by Officer Hunter.

I escorted the residents from 2735 N. Park to their home when they arrived on-scene. I also escorted one resident from 2715 back to his home.

While on scene I received a message about Suntran having a video of the helicopter crash. I got ahold of Robert Ortiz [REDACTED] from Suntran who was making a video from one of the buses that had captured the incident. I responded to 4200 S. Park to the Suntran Administrative offices and picked up the video. I was told that the bus driver that witnessed the accident was Robert Casillas. He was N/B on Park at Grant when the accident occurred and he caught it on the bus camera. I took the video back to the scene and released it to one of the NTSB agents who was in charge of the scene.

--	---

NARRATIVE

I responded to a helicopter crash scene in the area of Park Ave. / Mitchell St. When I arrived to the area, traffic was already getting congested on Glenn. I began at Park Ave and had all of eastbound traffic turn around to head back west. When I got to 1st Ave. I closed eastbound Glenn for all traffic, except for emergency vehicles.

I found no witnesses to the crash.
