## UNIT IDENTIFICATION FORM

Please fill this form out completely and submit with original sample only once for each unit.

## SECTION I -

Your company name and address should be indicated and completely filled in. Be sure to indicate to whom attention the report is to be directed.

## SECTION II -

Provide the name and telephone number of the person to be notified in the event of a critical condition with this unit.

## SECTION III -

Indicate here YOUR unit identification and/or serial number, and the manufacturer and model of the equipment. Also provide other pertinent equipment information.

## SECTION IV -

Indicate what type of lube system, service and drain interval.

## SECTION V -

Provide any additional comments that are pertinent to the unit's operation that may affect the results.

## SECTION I

CUSTOMER: Hermans Trucking

# MaxiGuard<sup>®</sup> 2 UNIT IDENTIFICATION FORM

Please fill this form out completely and submit with original sample only once for each unit.

## SECTION I -

Your company name and address should be indicated and completely filled in. Be sure to indicate to whose attention the report is to be directed.

## SECTION II -

Provide the name and telephone number of the person to be notified in the event of a critical condition with this unit.

## SECTION III -

Indicate here YOUR unit identification and/or serial number, and the manufacturer and model of the equipment. Also provide other pertinent equipment information.

## SECTION IV -

Indicate what type of lube system, service and drain interval.

## SECTION V -

Provide any additional comments that are pertinent to the unit's operation that may affect the results.

## UNIT IDENTIFICATION FORM

Please fill this form out completely and submit with original sample only once for each unit.

## SECTION I -

Your company name and address should be indicated and completely filled in. Be sure to indicate to whose attention the report is to be directed.

## SECTION II -

Provide the name and telephone number of the person to be notified in the event of a critical condition with this unit.

## SECTION III -

Indicate here YOUR unit identification and/or serial number, and the manufacturer and model of the equipment. Also provide other pertinent equipment information.

## SECTION IV -

Indicate what type of lube system, service and drain interval.

## SECTION V -

Provide any additional comments that are pertinent to the unit's operation that may affect the results.
