Subject: ForeFlight Re: NTSB Request regarding Charleston, WV accident from 5/5/2017

Hi Paul,

So far I'm striking-out on this one. I did find an account that looks like it might have been Anh Ho's, but it expired in early 2016 and was not renewed.

We don't show any briefings for N334AC either.

Sorry we couldn't help more,
