I have been duly warned and advised by _____

a person who has identified himself as a POLICE OFFICER that I do not have to make any statement at all, nor answer any questions or do anything that might tend to go against me or incriminate me in any manner, and that any statement I make may be used against me on the trial or trials for the offense or offenses concerning which the following statement is herein made. I was also warned and advised of my right to the advice and presence of a lawyer of my own choice before or at any time during any questioning or statement I make, and if I am not able to hire a lawyer I may request and have a lawyer appointed for me, by the proper authority, without cost or charge to me.

I do not want to talk to a lawyer, and I hereby knowingly and purposely waive my right to the advice and presence of a lawyer before and during any questioning or at any time before or while I voluntarily make the following statement to the aforesaid person, knowing that anything I say can and will be used against me in a court or courts of law.

I declare that the following voluntary statement is made to the aforesaid person of my own free will without promise of hope or reward, without fear or threat or physical harm, without coercion, favor or offer of favor, without leniency or offer of leniency, by any person or persons whomsoever.

I saw the Pulsar TAKE off from South Valley Regional Airport (U42) at about 1:15pm. The aircraft was not climbing out of ground effect and when it finally did, it was not gaining any altitude over 200ft. They had time to put it back down on the runway but decided to go anyway. The winds being out of the south at about 10-15 kts and a storm approaching, it was not a good time for an airplane like that to be flying. It only had a 65 hp engine and had 7 full grown men in poor weather conditions - as they started to turn downwind, the aircraft stalled and nose dived into the ground.

I have read this statement consisting of _____ page(s), and I certify that the facts contained therein are true and correct. I further certify that I made no request for the advice or presence of a lawyer before or during any part of this statement, nor at any time before it was finished did I request that this statement be stopped. I also declare that I was not told or prompted what to say in this statement.

This statement was completed at _____ M. on the _____ day of _____, 20____
