Investigator name: Lewis
Mode: Aviation Air Safety Investigator
Region: Western Pacific

Date: 8/19/2013
Person Contacted: Ken Beckedahl (208)786-5381
NTSB Accident Number: WPR13FA380

Narrative: Mr. beckedalh is the manager of the Shoshone County Airport, where the accident airplane was hangared. He is also an FAA certificated aircraft mechanic, and performed the last condition inspection on the accident airplane.

He said he had known the accident pilot since he had brought the accident airplane to the airport. He had performed some maintenance on the airplane including the last annual condition inspection.

He said the pilot appeared to be competent and safety conscious. In previous conversations the pilot had expressed a desire to practice spins and other maneuvers in the airplane. He directed the pilot to the area where the accident occurred; it was a known practice area for the airport.

On the day of the accident, he had seen the accident pilot at the hangar when he was leaving for the day.
