I [REDACTED] declare that on the 25 day of June, 2016.

Between 11 am and Noon, a small plane was flying above the airstrip. He made two passes one very high the other just above the tree tops north-eastern direction. We all thought he was going to land, because sometimes they do this kind of pass but he never came back. We didn't hear any noise or any noise after he was out of sight.

I give this statement of my own free will. There have been no threats or promises made to me for the making of this statement. I attest that it is the truth to the best of my knowledge. I understand that any person who knowingly gives a false report to any peace officer does so in violation of Idaho Code section 18-705
