

DESCRIBE WHAT YOU OBSERVED AND HEARD (continued):

Helicopter Marshaling

My Report I talk with Cethy About the Helicopter, Got Radio - Getting the LZ Ready they said 18 min out. Next the Helicopter show up with NO communication with them it was not a few minutes ~~at~~ After they said 18 min out. ~~It~~ it didn't give me any time to finish LZ. I call them ~~and~~ trying to get a hold of them. So I ran to the Ambulance Driver and he tried calling them. It took some time to get a hold of them. I gave all the information to the Driver about the Zipline Cable and Wind & Direction of the Wind. And where the Land Zone was. As he approached, I walking away from the medic who was talking to them. Then I see the Helicopter go off the edge the trying to get every body out of the way. Then it set it down. And the Hill of the LZ

Ratus Says

Helicopter Accident.

9-29-18.

DESCRIBE WHAT YOU OBSERVED AND HEARD (continued):

I was at G lot with Rufus standing by the Polaris waiting for the helicopter. Rufus was standing by the reflectors on the radio telling the pilot about the ziplines across the parking lot. I was standing next to the Polaris as the helicopter was coming in. Rocks dirt was hitting me all I hear is "Tania Run" and as the helicopter was going down I was running to the ambulance.

After Action

Restaurant Incident

Good all came together well
everybody did

Tonia out of restaurant and friend Patrick - ask
her to call ambulance

Jay's car on ramp - move

Unconscious 1-3 minutes

Jay served 1-2 Dos Equis - no ID
no id under 40 yrs

Denton - heard on Radio by breakroom

No vehicle available - problem

Greg - heard Tonia on radio cooking upstairs
didn't respond because cooking

Door #1 closed but no handle

Door #2 Door to trash room was latch
Friend went downstairs and left Scott upstairs

Trash Room - 1/2 full trash

Door #3 - 2 latches and tied with rope

tip where door closes about 5 inches

Greg one door on left open right closed looking
at it - doors swing out

Greg only could see his head and tip of shoulders
and in line with one door

Greg saw in Bar with two guys in bar about 20 min before

... called for EMS/Helicopter

and equipment - Ken, Jacob, Denton

Did not know where

No truck keys → central location

Move to patrol room

Jacob passed out asked 5 times

Jacob - eating lunch at office ran down - back up
to call 911 came down handed me equipment
and then Andres drove to shop

Got 2500 + backed up

Saw us putting on backboard and friend in way
and pulled him aside

and then helped load

- He kept getting trying to get Scott to give him passcode from phone
customers + Scott kept telling him to f off

Erick - in office working and heard yelling then
looked out and went downstairs
and he tried to call out to 911 and told him
to call 50 and gave number -

Patrick approached and told me to get helicopter
came back Rufus was holding head until we

loaded into Greg's truck

then spaced out + didn't know where to go

and came back to patrol room and helped wherever

Patrick kept getting in way aggressively

Ken - heard call went over went to zipline + Andres
to get help

Patrick agitated + aggressive - wasn't normal
and went to customers to witnesses - went upstairs
afterwards to kitchen
caught him

India saw him go to dumpster at bottom of stairs and get something out

Rufus - Ken came to him to get driver + backboard Patrick holding head and took over holding head he kept pacing told him to go away Cathy told him needed vehicle went to get ATV to transport met in patrol room - Cathy told him to go to LZ and went to top sent Jacob security with radio and then asked call sign JAKE EMS no call sign - gave Tania clipboard with info

10 yrs helicopter experience never seen landing

In parking lot - G lot told me 18 minutes out right after that helicopter came over from North side and tried to call ^{radio} to tell about cable (zipline) and couldn't get through ran to Jake (ems) to call and tell him winds ^{south} 3-5 mph come to south litz breeze and came around facing ^{NE} west bounced ^{twice} on G lot and over tail rotor down hit cable bounced back up and made hard left turn - turned all the way around and went down hill was yelling to Tania to run
