Robert Lane Capehart

Time: 7:15

[Redacted]

Date: 12-17-2012

Parkton, NC [Redacted]

Location: Patrol car

DOB [Redacted]

Phone #: [Redacted]

w/m

By: Major Randy McGirt

Mr Robert stated he was out at Southern Confront air Ranch trying to get three (3) horses in with a deputy when he heard a noise that sounded like a motorcycle or a four (4) cylinder car with a loud muffler in the area of the wood line. Mr Robert stated when he looked across I-95, he saw the smoke over in the woods and he grab one of his tenants by the name of Curt McCay and drove over near the site and they ran through the woods to where the crash site was at. Mr Robert stated he located the body and help put the fire out. He stated himself and his tenant was on the scene first then the fire department pull up. He stated he help look for the tail of the plane but couldn't find it.

John Robert Sealey AKA
"Bob" W/M DOB [REDACTED]

Tarboro, NC [REDACTED]
[REDACTED] home

Retired

Interviewed by Anthony Thompson

Mr. Sealey states he heard the plane come over the house. The plane sounded like it was in distress. He states it was going real fast, the engine was revved up sounding like it was making a ~~deep~~ ^{deep} bomb run. He states he did not see the plane crash. He just heard the plane come over his house. ^(AT) ~~(AT)~~ He made call at 3:34 pm to 911 about the plane crash from Lisa Black cell phone.

Works @ Jarpackers, Saint
Pauls.

Interviewed by Anthony
Thompson

Ms. Plack states she was
in her residence when
she heard ~~at~~ ^(AT) the plane
come over the house.
She was in the kitchen
area looking out the
window. She saw flames
and smoke. She went
outside and then went
to the scene with
Jimmy and Bill Sealey
They live at 1903
Smith's Farm Road. They
showed the Sheriff's
and others how to get
to the scene.
