Vehicle 2: 1994 Peterbilt Truck Tractor
in combination with a 2017 Travis semitrailer

B. SUMMARY

About 12:19 p.m. central daylight time on Tuesday March 22, 2022, a 1994 Peterbilt truck-tractor in combination with a 2017 Travis semitrailer loaded with gravel was traveling south on US Highway 377 (US-377) in Tishomingo, Johnston County, Oklahoma. The posted speed limit for US-377 was 50 mph. The combination vehicle was operated by Burton Trucking LLC, an intrastate trucking company based in Burneyville, Oklahoma, and it was approaching the intersection of Oklahoma State Highway 22 (SH-22). At the same time, a 2015 Chevrolet Spark passenger car, occupied by a 16-year-old driver and five teenage passengers, was traveling east on SH-22 approaching US-377. At this location, SH-22 traffic was controlled by a stop sign. The car made a left turn in front of the combination vehicle and was struck on its front-left side. The car came to rest on a gravel road about 359 feet southwest of the point of impact. The combination vehicle left the roadway and came to rest about 244 feet south of the point of impact. As a result of the crash, all six occupants in the car were fatally injured. The combination vehicle driver was not injured in the crash. Postcrash toxicology reports indicated that the car driver was negative for alcohol and positive for cannabis, and the combination vehicle driver was negative for alcohol and other drugs.
