

MEMORANDUM FOR RECORD

Douglass Brazy
Air Safety Investigator
Eastern Region Aviation

November 6, 2020

Subject: NTSB investigation ERA20LA311, N232PA, Zenith CH650LS, Villa Rica, Georgia, September 5, 2020.

Information provided by Federal Aviation Administration Inspector David Detscher, Atlanta Flight Standards District Office

On November 6, 2020 Mr. Detscher inspected the airplane and reported the following information:

The nose wheel had dug into the turf and the airplane has flipped over. The nosewheel appeared to sustain damage when getting stuck. There were no notable defects noted with the steering mechanism.
