**Subject: Prospect Avenue - Burlington Avenue - Golf Avenue**  
Village of Clarendon Hills

Dear President Austin:

In response to a request made on your behalf and dated July 22, 2015, we have developed year 2040 average daily traffic (ADT) projections for the subject location.

ROAD SEGMENT	Year 2040 ADT
Prospect Avenue	3,500
Burlington Avenue	3,000
Golf Avenue	2,000

Traffic projections are developed using existing ADT data provided in the request letter and the results from the March 2015 CMAP Travel Demand Analysis. The regional travel model uses CMAP 2040 socioeconomic projections and assumes the implementation of the GO TO 2040 Comprehensive Regional Plan for the Northeastern Illinois area.
