25:50:00	Water	Refills tumbler with water while driving, taking both hands off wheel while doing so
34:38:00	Phone	Stops at normal place. Picks up her phone and uses for about 3 minutes
59:08:00	Phone	Stops on rural roadway to pick up a student. Takes out phone and uses it for about 1 minute
1:02:20	Phone	Stops at intersection and checks her phone
1:03:15	Student	Talks with a student behind her. Takes her eyes off road briefly while bus is in motion
1:09:04	Other	At a stop, driver helps student load his musical instrument into the bus
1:09:30	Student	Student changes seats while bus is in motion
1:10:46	Water	Driver refills tumbler with water while driving, taking both hands off wheel while doing so
1:12:30	Student	Student changes seats while bus is in motion
1:18:36	Student	Student changes seats while bus is in motion
1:30:16	Phone	Driver uses phone while queued behind another vehicle stopped at a stop sign
1:44:47	Phone	Driver uses phone as she waits behind a queue of buses dropping off students
1:49:18	Health	Driver rubs shoulder
1:49:05	Other	Driver looks at paperwork while moving slowly behind a queue of buses
1:50:28	Health	Driver rubs neck/shoulder
1:51:22	Other	Driver helps student unload a musical instrument
1:52:03	Student	Driver tells a student to come to front of the bus while it moves slowly forward in bus queue
1:52:14	Health	Rubbing neck (right side)
Friday March 8, 2024. Video starts at 6:03:17 AM		
22:22	Water	Driver refills tumbler with water while driving, taking both hands off wheel while doing so
23:12	Radio	After crossing an intersection, driver reaches to the right, probably to turn on the radio. Attends to the radio while driving until about 23:39
24:10	Radio	Adjusts radio channel for about 15 seconds
26:35	Phone	Makes left turn into a gravel roadway/driveway and stops bus. Takes out her phone and manipulates it
29:52	Phone	Starts moving forward slowly while still using her phone
32:32	Phone	While stopped at a pick-up location, takes out phone. Drives away when student does not show
45:06	Water	Refills tumbler with water while driving, taking both hands off wheel while doing so
52:40	Health	Touches left eye area with left hand continues to do this for a about 10 seconds
53:15	Phone	Stops bus on road to pick up student. Picks up and looks at her phone as she waits.
59:03	Water	Refills tumbler with water while driving, taking both hands off wheel while doing so
1:06:53	Health	Briefly reaches under her shirt at right shoulder with left hand
1:24:20	Health	Lifts left hand to left side of face. Rubbing neck area for 30 seconds

1:34:30	Student	While in a bus queue, tells students to sit down because buses are moving all around her
1:40:36	Phone	Stops bus and takes out phone to browse. Moves slowly forward in bus queue while looking at phone
1:44:20	Student	While moving slowly in queue, tells a student to come to the front seat of bus
1:45:00	Other	Reaches for paperwork to her left side and looks at it as she moves slowly forward in queue
Friday March 8, 2024. Video starts at 2:49:23 PM		
3:01	Phone	Takes out phone as bus is queued on school grounds. Still uses phone as bus moves forward in queue
12:48	Health	Helps student load musical instrument case into bus
19:40	Student	Student gets up from seat to throw trash in front bin while bus is in motion
20:41	Student	Student gets up from seat to throw trash in front bin while bus is in motion
23:07	Student	Student gets up from seat to throw trash in front bin while bus is in motion
24:18	Student	Student gets up from seat to throw trash in front bin while bus is in motion
24:27	Student	Student gets up from seat to throw trash in front bin while bus is in motion
25:40	Student	While stopped, driver tells students that if her eyes are on the rear view mirror looking at them, what are they not on? The students answer "the road." She tells them to stay in their seats and behave
26:15	Student	Student gets up from seat to throw trash in front bin while bus is in motion. She stays standing after throwing trash to talk to another student and the bus driver
27:16	Student	Student goes to the back of bus while bus is in motion
28:10	Student	Student returns to front of bus to speak with bus driver while bus is in motion
28:23	Student	Student returns to back of bus while bus is in motion
28:40	Health	Bus driver rubs her forehead area
30:32	Student	Student leaves seat to throw trash while bus is in motion
31:00	Health	Driver rubs forehead area
40:10	Student	Checks rearview mirror while driving to see what students are doing. Asks a student what they are doing while facing the roadway. "you're gonna get your coat soaking wet."
42:24	Student	Student approaches bus driver as she drives and speaks with her
42:44	Student	While driving, tells a student to take something out of her mouth. Student who approached bus driver heads back to seating area (she very rarely sat down during this trip but usually stayed in the seating row.)
42:50	Student	While driving, bus driver continues to speak with student who had stuck something in her mouth and tells her to give the chain back to a male student.
43:00	Student	While driving, speaks to student behind driver's seat and asks him to get something from behind her seat. Takes both hands off wheel to describe item
44:19	Health	Stops bus in a driveway to let two students off. Then she unbuckles seatbelt to get one of the exiting students his instrument case. She then finds the handy wipes and give it to one of the students to clean his chain.
46:00	Water	Refills tumbler with water while driving, taking both hands off wheel while doing so
56:00	Water	Finished drinking from tumbler. Picks up water bottle, uncaps it, fills tumbler with more water, and caps bottle. This all meant taking eyes off road to fill tumbler.
1:09:50	Health	Hair and forehead with left hand
1:11:00	Health	Hair and forehead with left hand
1:12:50	Health	Touching hair and seeming to feel forehead
Monday March 11, 2024. Video starts at 6:05:49 AM		
26:33	Phone	While stopped, manipulates phone. Looking for something in her purse
31:11	Health	While stopped, takes pills obtained from a bottle in her purse
32:00	Phone	While stopped, puts on music using phone
35:49	Phone	While at a stop, receives call from daughter (phone announced the person calling)

40:12	Water	Uncaps plastic bottle and refilling tumbler while driving. Takes both hands off wheel while doing so
44:15	Other	Takes off sweatshirt while driving, taking both hands off the wheel in the process
47:00	Health	While driving, driver rubs her neck on right side. Continues doing so for a minute
55:47	Phone	Checks phone at a stop
58:00	Water	While driving, driver uncaps water, drinks it, then attends to putting away a water bottle in her bag. Results in her taking eyes of road a few times. Puts on lip balm.
1:00:00	Health	Rubs neck with left hand
1:01:00	Phone	Looks at phone while at a stop
1:02:00	Phone	While driving, driver manipulates speakers and her phone for an extended time
1:05:00	Other	Fixes her sleeves while driving. Hands off wheel for several seconds
1:10:43	Student	Student gets up and throws trash into bin to the right of driver
1:24:00	Health	Rubs left side of neck with left hand
1:27:00	Student	Extended conversation with students about a found lunch box and a sweatshirt. Takes hands off wheel and eyes off road at times while the bus is in motion
1:28:00	Student	Student leaves seat to retrieve sweatshirt while bus is in motion
1:39:00	Health	Rubs left side of neck again with left hand
1:40:00	Phone	Puts away electronics as she waits in queue with other buses
1:42:00	Phone	Picks up her phone from her left side as she continues to stop/go at school grounds. Puts phone away in pink bag
1:42:00	Health	Rubs back of neck with both hands
1:43:00	Health	Rubs neck with left hand under her collar
1:44:00	Student	Calls for one student in the back to move up to front
1:47:00	Health	Rubs front of head
