

RECORD OF CONVERSATION

Michael Huhn
Air Safety Investigator
Western Pacific Region

Date: July 24, 2020
Person Contacted: Greg (First Responder, Pine Lake Fire District)
NTSB Accident Number: WPR19LA063

Narrative:

The following is a synopsis of the information provided by the witness in a telephone conversation on this date:

- The witness is a volunteer for the Pine Lake Fire District
- He was notified of the accident via the 911 system
- He was standing outside his residence with another unnamed first responder when they were alerted of the accident
- His residence was about 1 mile from the accident location
- He estimated that he/they arrived at the site where the pilot was located within about 2 minutes of the notification
- The pilot was in the road, being attended by two retired RNs who were passing by
- His records indicated that he arrived by 1145
