Hi Dennis,

NDR also found this in the archives:

There are also archived driver pointers for this individual from OH, going back to 9/25/2016. It appears that the most recent OH driver pointer was deleted on 6/26/2019.

Thanks,
Frank

Hi Dennis,

My team still has few calls out to try to get a more complete picture, but I wanted to at least send you the preliminary findings for the active PDPS pointers:

There are three current driver pointers for this individual.

- MA created a driver pointer on 6/17/2018.
- CT created a driver pointer on 5/28/2019.
- NH created a driver pointer on 6/24/2019, but the last name is spelled "ZHUKOVSKY".

On 6/27/2019, driver license status requests from the 3 states each return "NOT/NOT".

Thanks,
Frank
