

Factual Report – Attachment 3

LAWRS Certificates

AIR TRAFFIC CONTROL

CEN16FA286

Certificate of Authority

to take

Weather Observations

This is to certify that **WESLEY LOVEDAY**
is qualified and authorized to take weather observations subject to
the conditions stated in the Weather Service Operations Manual.

[REDACTED]
Regional Director - Southern Region

[REDACTED]
Assistant Administrator for Weather Services

IMPORTANT:

1. A certificate shall remain valid provided:
 - a. The observer maintains proficiency.
 - b. The observer takes, encodes, and records on the official station log the type of observation for which the certificate is valid and with the frequency stated in WSOM Chapter B-61.
 - c. The observer possesses the visual acuity required by WSOM Chapter B-61.
 - d. The field supervisor requests revalidation or recertification within 45 days of change of station.
2. Failure to comply with the above automatically causes the certificate to lapse. An individual cannot take an official weather observation with a lapsed certificate.
3. A certificate is cancelled if lapsed for 90 consecutive days.

CERTIFICATES MUST BE READILY ACCESSIBLE FOR INSPECTION AT ALL TIMES.

DATE	LOCATION	TYPE OF OBSERVATION	INITIALS
11/18/2007	SGR	AVIATION	[REDACTED]

Substitute for: WS Form B-61-1 (5-88)
