Dear Ms. Nuñez:

Florida International University respectfully requests an 11-month extension of time to the Local Agency Program (LAP) Agreement between the Florida Department of Transportation (FDOT) and Florida International University (FIU) for the project described below:

Table with 6 columns: Project Description, FM No., Contract No., Amount, Current End Date, Requested End Date. Row 1: FIU UniversityCity Prosperity Proj. Along SW 109 Ave & SR 90/SW 8 St., 434688-1, ARI73, \$15,445,663, 3/31/2018, 2/15/2019

Justification for Extension: LAP Agreement 434688-1 funds the TIGER Discretionary grant awarded by the U.S. Department of Transportation / Federal Highway Administration (DOT/FHWA) under agreement FHWA FY 2013 Tiger Grant No. 12 to FIU. On December 11, 2017 DOT/FHWA executed amendment two (attached) to the above referenced grant award amending the project's schedule summary to indicate that the project will be closed out by February 15, 2019. Accordingly, we request that the end date for LAP Agreement 434688-1 be amended to coincide with the revised close out end date of February 15, 2019 as stipulated in the recently executed amendment two for FHWA FY 2013 Tiger Grant No. 12.

I thank you in advance for your consideration of our request. If you have any questions about this request then please feel free to contact me at [redacted] or via email at [redacted]
