Subject: DCA24LA065 - (Houston, TX) - CVR - Email Report

Email report instructions:

The narrative and attachments from this email report may be used in other reports at the discretion of the Investigator-In-Charge (IIC). This email, including attachments (if applicable), should also be placed in the public docket by the IIC.

Email report contents:

The Vehicle Recorder Division received a L-3/Fairchild FA2100-1025 CVR (sn 001284097). The CVR was undamaged and was read out normally using the manufacturer's suggested procedure and software.

The CVR produced audio files consistent with the federal regulations requiring CVR equipment on aircraft operating under 49 CFR Part 121.

The CVR audio was reviewed by NTSB lab personnel, along with the IIC for this accident. The CVR captured the event. The events captured on the CVR were consistent with the captain's and first officer's statements provided to the NTSB. A summary of the CVR recording was not produced.

Prepared by:

Sean Payne
Branch Chief // Vehicle Recorders Laboratory (Blue)
NTSB Vehicle Recorder Division
