5/24/2021		LOC- Miss call. May 24, 2021 34823 County Rd 8 Florence Al 35634 - 4526 Mr. Pigg, This letter is concerning you're missing/marking off on the call on May 23, 2021 at 1050 a.m. for conductor assignment on 27KAA21. This letter also confirms our conversation regarding this incident on May 24, 2021 at 0700 a.m. Norfolk Southern Safety and General Conduct Rule 920 states that, "employees subject to call for duty must be either at their usual calling places or furnish information as to where they can be located." In the future please make every attempt to mark off before being called. I understand that there may be an occasion over your career that you are unable to contact crew call before you are called. If so, please contact your immediate supervisor for assistance. This

letter does not serve as formal discipline but instead serves as a counseling letter to caution you that you must make the necessary effort to ensure further violations of this nature do not occur. Failure to comply with operating and safety rules along with special instructions will not be tolerated and may result in disciplinary action. I am looking forward to your commitment to work safely and efficiently in compliance with all safety and operating rules. Your effort will allow the Gulf Division to work accident and injury free. Sincerely, JL Ellison
