TESTS TO BE PERFORMED DRUG and ALCOHOL

You have been randomly selected for: **DRUG and ALCOHOL**. Please report to the nearest authorized CleanFleet collection site **immediately**. If you need assistance locating a collection site, please call **(503) 479-6082**.

*Failure to submit to testing can result in a REFUSAL TO TEST result. DOT regulations state that a driver who refuses to test shall not be permitted to operate a CMV and will have to complete a Substance Abuse Program prior to being reinstated.*

### EMPLOYEE INSTRUCTIONS

- Report to the nearest authorized CleanFleet Collection Site **immediately** and present this form to the Collector/BAT.
- Bring photo ID with you.
- Refrain from eating and drinking large amounts of fluid before collection.
- **Do not** list your medications at the collection site.

### COLLECTOR INSTRUCTIONS

All FMCSA urine specimen collections and breath alcohol testing must be conducted in accordance with Part 49CFR40 of the FMCSRs. Collection procedures must include the following:

- Please use the CCF provided to you by CleanFleet or the employee. If a CCF is not provided, please contact CleanFleet at **(503) 479-6082**.
- If using a blank CCF, ensure that the appropriate account # is indicated on the CCF. For a **Legacy Metro Lab CCF**, it's account #4457. For a **LabCorp Lab CCF**, it's account #737708.
- Should any problems arise during collection and/or testing, contact CleanFleet at **(503) 479-6082**.
- To ensure proper documentation and prompt payment of your invoice for services, after collection and/or testing is complete, please do the following: Fax **designated copies of the CCF and/or BAT result** to the MRO at **(503) 244-6790** and CleanFleet at **(503) 978-1603**.
