

MARCH 12TH, 2022

TIME APPROXIMATELY 0130 - 0200

AFTER THE VESSELS DRIFTED TO THE CHANNEL
WE BEGAN PULLING THE LINES FROM THE CHAUK
AND NOTICED THAT ALL LINES WERE TOO
HEAVY TO PULL. WE THEN USED THE
WINDLASS. AS THE LINES WERE COMING
UP I NOTICED SOMETHING COMING UP W/ IT
BUT COULDN'T MAKE IT OUT WHAT IT WAS;
HOWEVER 2 OTHER CREW MEMBERS YELLED
OUT "IT'S THE BIT!"... AS WE PULLED THE
LINES UP ALL OF THEM HAD INTACT EYES.
I DID NOT SEE ANY PARTED LINES.
