

UGI UTILITIES RESPONSE TO NTSB INFORMATION REQUEST
October 12, 2023

NTSB Request No. 15: A summary of UGI Corporation and UGI Utilities, Inc. Include products and services offers, number of customers, and throughput. Include the complete ownership history for the pipeline facilities on S 2nd Avenue between Franklin & Penn, and on Cherry St.

UGI Supplemental Response:

UGI would like to amend DR015 to more accurately describe UGI Corporation. This replaces previously provided DR015A Summary of UGI Corporation and UGI Utilities NTSB-UGI-00047.

UGI Corporation (UGI) is a holding company whose subsidiaries include distributors and marketers of energy products and services. UGI's subsidiaries UGI Utilities, Inc. (UGIU), and Mountaineer Gas Company own and operate natural gas utilities that operate in Pennsylvania and Maryland, and West Virginia, respectively, with UGIU also conducting electric distribution service in Northeastern Pennsylvania. UGI's subsidiary, AmeriGas, distributes liquified petroleum gas in the United States. UGI International, another UGI subsidiary, owns businesses that distribute liquified petroleum gas in Europe. UGI's subsidiaries also market natural gas in the Mid-Atlantic region of the United States and in limited portions of western Europe, and own midstream energy assets in Pennsylvania, Ohio, and West Virginia and electric generation assets in Pennsylvania.

UGI Utilities serves approximately 688,000 natural gas customers and 63,000 electric customers and has annual throughput of approximately 314 billion cubic feet of natural gas and 1 billion kilowatt hours of electricity.

UGI Utilities owns natural gas pipeline facilities located within the public right-of-way near the accident site in West Reading, Pennsylvania.
