Dispatcher 15:

Emergency, emergency, emergency uncontrolled train moving uh eastbound main track 1 W528 W519 over.

Unknown:

Hey dispatch.

Dispatcher 15:

Yeah, go ahead over.

Unknown:

Yeah, all movement has stopped. The train that was coming along side us here at 525.8 stopped and then there was a whole bunch of banging and clanging up there and there is a cloud up there.

Dispatcher 15:

Alright, this is the PPC crew talking to me and the train that came by you there, that second train is stopped currently over.

Unknown:

This is the Granite crew that was trying to recover your other train. We're facing west and we can see the cloud up there and we heard all the banging as everything came to a stop.
