NAUTICAL OPERATIONS

Group Chair's Factual Report - Errata
Fire aboard Roll-on/Roll-off Vehicle Carrier Höegh Xiamen
August 2, 2022

A. ACCIDENT

Location: Jacksonville, Florida
Date: June 4, 2020
Time: 1544 Eastern daylight time (EDT)
1944 coordinated universal time (UTC)
Vessel: *Höegh Xiamen*

B. PURPOSE OF ERRATA

The marine investigation report was reissued on August 2, 2022, with corrections to the estimated time of the casualty, removal of references to Höegh Technical Management's safety management system, and an update to the probable cause.

C. FACTUAL REPORT CORRECTIONS

Page 2 of the Nautical Operations Group chair's factual report reads "About 1530 local time on June 4, 2020, the Norwegian-flagged roll-on/roll-off (Ro/Ro) Höegh Xiamen caught fire while moored at the Blount Island Terminal in Jacksonville, Florida" The sentence is incorrect should state "About 1544 local time...."

Page 7, line 21 reads "About 1530, the chief mate was waiting for heavy rain to subside before lubricating the 22 stern ramp rigging when he noticed smoke coming from the Deck 7 and 8 ventilation exhaust 23 housing..." The sentence is incorrect and should state "About 1544..."
