

**Explanation of the data in the spreadsheet posted to the docket for the Spirit of Norfolk investigation DCA22FM022.**

The data was extracted from the Coast Guard's snapshot of what the vessel population looked like for March 2020. The vessel name and record were extracted for vessels that met the following criteria:

- "K vessels" (inspected and uninspected)
- Active status
- Keel laid date on or before March 10, 1996
- Delivery date
  - Vessels with a delivery date on or before March 10, 1996, or
  - Vessels that have a keel laid date on or before March 10, 1996, and a delivery date of March 10, 1996, or later.
- Carries 150 or more persons.
- Route type includes "Lakes, Bays, and Sounds"; "Rivers"; and "Rivers Plus Limited Great Lakes".
- Hull material includes aluminum or steel only.
