Matt,

To put in context regarding 135 operators accepted or in the process of being a part of SMSVP, how many 135 certificate holders/operators are there (total)? Thanks.

Dujuan

Dujan,

There are currently 17 part 135 certificate holders with an FAA accepted SMS Voluntary Program and 158 part 135 certificate holders that are in various stages of developing their SMS and have applied to be accepted into the SMS Voluntary Program.

I hope this is helpful. Please let us know if you need additional information.

Matt,

Also if you have the percentage of 135 operators that are taking part in the Safety Management Systems Voluntary Program (SMSVP).

Thanks,
Dujan

Good Afternoon Matt,

In the process of collecting one more data point related to SMS for the Calabasas, CA accident and was wondering if you could help me get the information.

Does the FAA have any data on how many Part 135 operators are part of the FAA SMSVP? Thanks
