

REDACTIONS TO and OMISSION of DOCKETED MATERIAL

FOR

*USS FITZGERALD/ACX CRYSTAL ACCIDENT*

The following documents, posted on this docket, were either redacted by the US Navy, redacted by the NTSB on the request of the US Navy, or altered by the NTSB to comply to US Navy national defense information (NDI) concerns:

- 1) All transcripts of interview of *Fitzgerald* crew members
- 2) *Fitzgerald* crew 96-hour work/rest histories
- 3) *Fitzgerald* Plans of the Day
- 4) NTSB Report of the Collision between US Navy Destroyer *Fitzgerald* and container ship *ACX Crystal*
- 5) *Fitzgerald* Standing Orders, Engineering Orders, Night Orders
- 6) NTSB reply to USN party NDI-tech comments 06082020

Additionally, there were documents that the NTSB did not place on this docket, as mentioned in the NTSB's Marine Accident Report, because the US Navy had concerns that the documents contained NDI and requested their omission from the docket.
