Hi, [REDACTED]s,

I don't remember any damage to the balloon myself... However, the pictures for N900FC have been purged per our official records retention schedule.

[REDACTED],

Sorry I missed your call. I looked through my computer and emails and do not have any pictures of N900FC's accident on Aug 15, 2020. I am no longer assigned to the ABQ FSDO so I do not have access to their shared drives, but I have cc'd Gary Medina who was the ops inspector assigned.

Thanks
